The sweetest sidewalk scene ever can be found at the one, the only Isles Bun and Coffee in Uptown.

CINNAMON ROLLS AT ISLES BUN AND COFFEE

The batches of cinnamon rolls at Isles Bun and Coffee are always fresh, never made ahead and refrigerated. Once they're gone, the next batch is never more than a few minutes away. Even better, you get to add more velvety icing, if you're really into excess. (1424 W. 28th St., Mpls.; 612.870.4466) —TSK
